1. Always keep your firearm unloaded until ready to shoot. Always treat EVERY firearm as though it were loaded.
2. Always keep the firearm pointed in a safe direction; DOWN RANGE OR STRAIGHT UP.
3. Always keep your finger off the trigger until ready to shoot.
4. Know your target and beyond. Make SURE the downrange area is unoccupied.
5. Safety Rules must be strictly followed regardless of Range Safety Officers presence. Please help others observe these rules.
6. The Green River Gun Club is a cold range. Load your firearms only on the firing line.
7. Know the firearm and its safety features. Be sure the firearm is safe to operate.
